

# Lateral Files 9100 & 9100 Plus Series™

## 9100 Series Lateral Files Recessed Center Pull

## 9100 Plus Series Lateral Files Looped Full Pull

9100 Series Lateral Files are quality built lateral files that feature strong MIG welded front corners with many options and standard features. Free up desk space with receding door "B" openings to accommodate three ring binders.

Our two drawer file fits under a 29" worksurface. All files have levelling glides, ensuring that drawers are easy to open. The interlock system prevents tipping. Removable cam locks are standard.

**A.** Ring binder storage in "B" type receding door openings. **B.** Side to side EDP hanging data binder storage using two point suspension. **C.** Full depth shelves for legal documents.
