## Wind™, the classic lounge series with a timeless look

Classic, contemporary and refined are the words most often used to describe the Wind lounge seating series. The simple geometry and slim proportions create a relaxed and open atmosphere even when space is at a premium. Wind lounge tables complement the seating series. Matching Chrome legs support slim profile tops in square or round configurations. Table tops are available in MDF (with epoxy finishes that feature a reverse waterfall edge) or select any standard Global laminate finish with square, self edge detail.

Seating shown in CTL Prescott Leather, Grayshadow (PD02). Table shown in White (WHT).
