Aspen.™ Superior ergonomics.

Aspen is a fully-featured task chair that delivers superior ergonomics, affordability and contemporary styling. What makes Aspen unique is the form fitting back profile, the result of years of extensive testing to determine the optimum support for the widest possible range of users and body types.

2850-3 Extended High Back Multi-Tilter with adjustable headrest in Allante Vinyl, Medium Neutral (A35E) with Polished Aluminum base.

2851-3 High Back Multi-Tilter with height adjustable back in Allante Vinyl, Medium Neutral (A35E) with Polished Aluminum base.

Aspen.™ Contemporary styling.

Aspen provides independent seat and back angle controls to accommodate individual preferences and body sizes. The 'universal design' of the adjustment levers feature easy to understand symbols as well as braille for sight impaired users. The Extended Back models include a height adjustable padded headrest.

2852-3 Low Back Multi-Tilter with height adjustable back in Allante Vinyl, Bisque (A42E) with Polished Aluminum base.

2852-3 Low Back Multi-Tilter with height adjustable back – back view.

It's in the details

Arm adjustments

Width adjustable arms can accommodate a wide range of users and working styles.

Arms feature a sliding armcap to provide support for all body sizes and proportions.

Height adjustable spring balanced arms feature a generously proportioned and comfortable urethane armcap.

Seat depth is adjustable to match user's leg length and provide additional comfort. (Available on select models).

Back adjustments

Back height adjustment enables the user to position the lumbar support to their personal preference.

A height adjustable headrest is standard on the Extended Back models.

Base options

Optional Polished Aluminum base (B7A) and coordinating optional chrome arm stems (AC).

Standard Black Nylon base (B7B) and Black Arm stems.

Features

Color it your way
