

# One10 Tables

From conference tables, meeting tables, and TV Stands, and more, the One10 collection provides flexibility for tailored applications, virtually anywhere.

Indiana  
FURNITURE

## SCALABLE SOLUTIONS TO FIT YOUR NEEDS.

One10 provides a scalable aesthetic with a versatile range of tables that provide solutions for casual to formal meetings, all while supporting individual technology, the sharing of personal technology, or communal technology equipment.

From conference tables, meeting tables, and TV stands, the collection provides flexibility for tailored applications, virtually anywhere.

Select from a variety of shapes and sizes, block or blade base styles and edge profiles, and top inlays in a broad range of veneers and laminates to arrive at the look and function you desire.

The One10 collection is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

### Smart and Beautiful.

Simply select a desired top style and shape to pair with one of our smart base options. Simple and agile—a winning combination.

Conference Tables with decorative inlays, sleek channels, or solid tops are available in 48" and 60" widths, and lengths of 96" up to 192". All sizes are available in classic rectangular, boat shape, or tapered view shape and offer passive cord management options for power and USB charging.

Media Credenza  
72"W × 18"D × 36"H

Low Footed  
Media Credenza  
72"W × 18"D × 24"H

Low Footed  
Media Credenza  
Routed to accept  
TV Stands and wire  
management

Combine Meeting  
Tables, Footed Creden-  
zas and Monitor  
Stands to create  
media centers at 42",  
36", or 30" high.

## Stay Connected.

Connect with clients and co-workers in environments that invite real conversation. Mix tables of seated, counter, or standing height with ancillary media credenzas and TV stands to further enhance productivity.

Meeting Tables have a central column and low profile base design to allow for unfettered use around all sides of the table without table legs getting in the way of chairs or users' knees. The column is available for seated or standing height tables and features a removable panel to route cords. Meeting Tables can be used in a variety of combinations with Media Credenzas and TV Stands.

Examples of Bases, Shapes, Inlays & Storage:

TFL, HPL

**Black (BL)**  
TFL, HPL

Edge Profiles:

**Blade Knife (K)**

**Block (H)**

Power Options & Placement:

White, black, or silver Duo and Trio power ports can be mounted in worksurfaces, below worksurfaces, or in wire management channels. Available in standard Nema plugs or non-sequential daisy-chain plugs. See price list for more information on ports and applicable locations.

All One10 bases include accessible passive wire management.

## Effortless Integration.

One10's scalable aesthetic spans across a broad range of applications and fluidly complements other furniture to create a cohesive environment.
