Meet anywhere

Sas brings versatility to meeting spaces. Stackable side chairs and stools make it easy to accommodate additional guests. Ideal for common areas, cafeterias, waiting areas and meeting spaces, Sas provides an elegant choice for almost any setting. Make it yours with an almost endless array of upholstery options.

Additional information can be found on the Global [website](#).

A high performer

The tubular steel frame design allows side chairs and stools without upholstery to be stacked away when not in use. The sculpted one-piece shell is made from high quality veneer to ensure lasting comfort. Rated to 300 lb. capacity, Sas is a high performer in workplace and education environments.
